Driving from the Airport to Villa Bonita

There is two entrance to Alajuela.

1. When you take off from the airport you will find the exit to Alajuela to your right, this one take you into the highway and almost immediately you will see another exit to your right this one goes thru the boulevard that goes past the International Mall . When you get to the second traffic light, you will find CAMPERO restaurant in the right hand side, there you turn right, after 500 mts you reach McDonalds keep going straight three blocks following the traffic flow turn left then next corner left again at Banana Olive boutique. You will see our sign at your left.
2. The other entrance is by the Hampton Inn (where many car rentals offices are located). You can get this road taking off from the highway at your right if your are coming from San Jose, or to your left if your are coming from the airport. Follow the sings to Alajuela, after 2 km you will reach McDonalds at your left hand side and Servicentro La Tropicana (gas station) at your right hand side, there you turn righ three blocks following the traffic flow turn left then next corner left again at Banana Olive Boutique.

Getting by bus

If you are coming from San Jose, take the bus to Alajuela at bus station that is in front of Parque la Merced on the 2nd Avenue. There are direct buses that goes thru the International Mall, the others are not direct and they goes in to Alajuela by the Hampton Inn (take this one).

Ask to the driver to stop at the Pollo Macho House this property is in front of our street. If you are coming from the northwest (Guanacaste Area, Arenal or Monteverde) or from the Pacific (Jacó, Manuel Antonio) ask to the bus driver to stop at the airport, then go to arrivals exit and take the orange taxis. Give them this address:

Address for taxis:

Del Servicentro La Tropicana 300 mts Este, 100 mts Norte y 50 Oeste
Phone/Fax: (506) 441-0239 Cellular: (506) 370-0921 or 833-7183
(Por casa de Pollo Macho)

We recommend you to go to our website and print our City Map, so you can have a better idea where you are. Will help you also to understand all directions we have explain above.
